It is also hereby further expressly agreed and declared that if the Company shall disclaim liability to the insured for any claim hereunder and such claim shall not, within twelve calendar months from the date of such disclaimer have been made the subject matter of a suit in a court of law, then the claim shall for all purposes be deemed to have been abandoned and shall not thereafter be recoverable hereunder.

If at the time of occurrence of an event that gives rise to any claim under this policy, there is in existence any other insurance covering the same loss, damage or liability, the Company shall not be liable to pay or contribute more than its ratable proportion of any compensation cost or expense.

7. Change of Vehicle:

Vehicle insured under the policy can be substituted by another private car for the balance period of the policy subject to adjustment of premium, if any, on pro-rata basis from the date of substitution on submission of fresh proposal form. Where the vehicle so substituted is not a total loss, evidence in support of continuation of insurance on the substituted vehicle shall be submitted before such substitution.

8. Transfer of Insurance:

Transfer of "Own Damage" section of the policy in favour of the transferee, shall be made on receipt of a specific request from the transferee within 14 days from the date of transfer along with duly filled up fresh proposal form, consent of the transferor, acceptable evidence of sale, original old certificate of insurance and required fees for effecting transfer in the record and issuance of fresh Certificate in the name of the transferee effective from the date of transfer. If for any reason, the old Certificate of Insurance is not surrendered, a proper declaration citing reason to that effect be submitted before a new Certificate of Insurance shall be issued. If request for transfer is made after 14 days from the date of transfer then transfer will be effective from the date request is received by *Us* and payment of transfer fees is made. If the transferee is not entitled to the benefit of the No Claim Bonus (NCB) shown on the policy, or is entitled to a lesser percentage of NCB than that existing in the policy, recovery of the difference between the transferee's entitlement, if any, and that shown on policy shall be made before effecting the transfer.

9. No Claim Bonus:

- a) No Claim Bonus (NCB) can be earned only in the Own Damage section of Policies. For policies covering Fire and/or Theft Risks, the NCB will be applicable only on the Fire and / or Theft components of the premium. An insured becomes entitled to NCB only at the renewal of a policy after the expiry of the full duration of 12 months.
- b) No Claim Bonus, wherever applicable, will be as per the following table.

ALL TYPES OF VEHICLES	% OF DISCOUNT ON OWN DAMAGE PREMIUM
No claim made or pending during the preceding full year of insurance	20%
No claim made or pending during the preceding 2 consecutive years of insurance	25%
No claim made or pending during the preceding 3	35%

consecutive years of insurance	
No claim made or pending during the preceding 4 consecutive years of insurance	45%
No claim made or pending during the preceding 5 consecutive years of insurance	50%

Sunset Clause: If at the renewal falling due any time between 1st July 2002 and 30th June 2003, both days inclusive, (after completion of the full policy period of 12 months) an insured becomes entitled to an NCB of 65% in terms of the Tariff prevailing prior to 1st July 2002, the entitlement of such higher percentage of NCB will remain protected for all subsequent renewals till a claim arises under the policy, in which case the NCB will revert to "Nil" at the next renewal. Thereafter, NCB if any earned, will be in terms of the above table.

- c) The percentage of applicable NCB is to be computed on the Own Damage premium required for renewal of the insurance after deducting any rebate in respect of "Vehicle Laid Up" under the policy. If the policy period has been extended in lieu of the rebate for the lay up of the vehicle, as per "Vehicle Laid Up" Regulation, such extended period shall be deemed to have been part of the preceding year of insurance.
- d) The entitlement of NCB shall follow the fortune of the original insured and not the vehicle or the policy. In the event of transfer of interest in the policy from one insured to another, the entitlement of NCB for the new insured will be as per the transferee's eligibility following the transfer of interest.

It is however, clarified that the entitlement of No Claim Bonus will be applicable for the substituted vehicle subject to the provision that the substituted vehicle on which the entitled NCB is to be applied is of the same class (as per this tariff) as the vehicle on which the NCB has been earned. Provided that where the insured is an individual, and on his/ her death the custody and use of the vehicle pass to his/her spouse and/or children and/or parents, the NCB entitlement of the original insured will pass on to such person/s to whom the custody and use of the vehicle pass.

- e) The percentage of NCB earned on a vehicle owned by an institution during the period when it was allotted to and exclusively operated by an employee should be passed on to the employee if the ownership of the vehicle is transferred in the name of the employee. This will however require submission of a suitable letter from the employer confirming that prior to transfer of ownership of the vehicle to the employee, it was allotted to and exclusively operated by the employee during the period in which the NCB was earned.
- f) In the event of the insured, transferring his insurance from one insurer to another insurer, the transferee insurer may allow the same rate of NCB which the insured would have received from the previous insurer. Evidence of the insured's NCB entitlement either in the form of a renewal notice or a letter confirming the NCB entitlement from the previous insurer will be required for this purpose.

Where the insured is unable to produce such evidence of NCB entitlement from the previous insurer, the claimed NCB may be permitted after obtaining from the insured a declaration as per the following wording:

"I / We declare that the rate of NCB claimed by me/us is correct and that no claim as arisen in the expiring policy period (copy of the policy enclosed). I/We further undertake that if this declaration is found to be incorrect, all benefits under the policy in respect of Own Damage Section of the Policy will stand forfeited."

Notwithstanding the above declaration, the insurer allowing the NCB will be obliged to write to the policy issuing office of the previous insurer by recorded delivery calling for confirmation of the entitlement and rate of NCB for the particular insured and the previous insurer shall be obliged to provide the information sought within 30 days of receipt of the letter of enquiry failing which the matter will be treated as a breach of Tariff on the part of the previous insurer. Failure of the insurer

granting the NCB to write to the previous insurer within 21 days after granting the cover will also constitute a breach of the Tariff.

- g) If an insured vehicle is sold and not replaced immediately, or laid up, and the policy is not renewed immediately after expiry, NCB, if any, may be granted on a subsequent insurance, provided such fresh insurance is effected within 3 (three) years from the expiry of the previous insurance. The rate of NCB applicable to the fresh policy shall be that earned at the expiry of the last 12 months period of insurance.
- h) On production of evidence of having earned NCB abroad, an insured may be granted NCB on a new policy taken out in India as per entitlement earned abroad, provided the policy is taken out in India within three years of expiry of the overseas insurance policy, subject to relevant provisions of NCB under these rules.
- i) Except as provided in Clauses (g), no NCB can be allowed when a policy is not renewed within 90 days of its expiry.
- j) Except as provided in Clauses (g), (h) and (i) above, NCB is to be allowed only when the vehicle has been insured continuously for a period of 12 months without any break.

10. Concession for Laid-Up Vehicles

In case vehicle is laid up in garage and not in use for a period of not less than two consecutive months insurer liability will remain restricted for loss or damage of the insured vehicle by Fire and/or Theft as applicable during the period of such lay-up. In consideration of this restriction of cover under the policy insured may opt for either: -

a) a pro rata return of premium for the period during which the vehicle is so laid up which will be credited to the insured after retention of pro rata premium for the lay-up period in the tariff rate for Fire and/or Theft Risks as applicable for the class of vehicle concerned.

The credited return of premium will be deducted from the next renewal premium. This cannot be given as cash refund even if the policy is not renewed with the same insurer.

The calculation of the amount of the return of premium shall be made on the net premium on the date of issue of the policy or the date of renewal of the policy preceding the laying-up of the vehicle.

OR

b) the expiry date of the current Period of insurance under the policy may be extended for a period equal to the period the policy remained suspended on account of the lay-up.

In either case the insured will be required to pay Rs.50 towards administrative cost.

Return of premium or extension of policy period in lieu thereof, on account of lay-up of vehicles, will be available provided

- i) The vehicle is not undergoing repairs during lay-up as result of an event giving rise to a claim under the policy.
